**Re: *Justification Letter for Extension of Time Submittal for Var-8631 & SDR-8630
Owens & Lamb, APN 140-30-503-001 and -002 and 140-30-520-017 thru -033***

To Whom It May Concern:

An Extension of Time Application is being submitted for application Var-8631 & SDR-8630. We are requesting to extend the application due to the Final Map not being recorded within the expiration of the Site Development Review & Variance application. Due to the slow down in construction over the last year it has put an economic strain on our project.

If you have any questions or additional information is needed, please feel free to contact me.

Sincerely,

TANEY ENGINEERING
